INTRODUCTION

WHY CHOOSE TEXTURES?

Textures® blends the beauty of natural wood with the practicality of stick-down LVT (luxury vinyl tile) for the perfect balance of style and functionality.

Registered Embossing is used to create organically inspired surfaces that look and feel just like natural hardwood for an ultra-realistic appearance.

High-end performance and finish has been achieved through the best industry R&D, placing Textures at the pinnacle of LVT production.

A commercially-rated, scratch-resistant 0.55mm wear layer offers exceptional durability for residential and commercial settings. It also stain and water-resistant, which makes cleaning very easy.

This exceptional all-round durability makes it especially suitable for kitchens, bathrooms and play areas.

Textures is backed by 30-year residential and 15-year commercial warranties.

- **Registered Embossed finish**
- **Class 33 Heavy Contract**
- **2.5mm thick with 0.55mm wear layer**
- **Slip-resistant rated +36**
- **Water and stain-resistant**
- **Easy to clean and maintain**
- **Rated A+ for VOC emissions**
- **Contains no formaldehyde**
- **30-year residential warranty**
- **15-year commercial warranty**

Registered Embossing for an Ultra-Realistic Finish

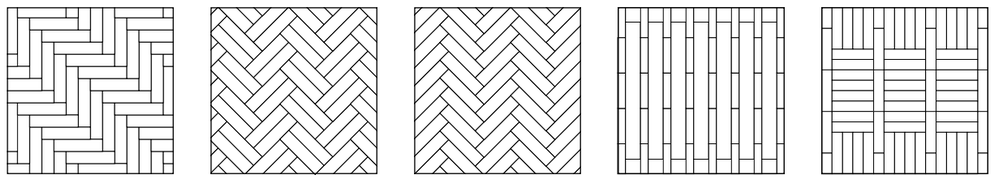

Textures is a high-end LVT product with a highly authentic look and feel, thanks to its Registered Embossed finish. But what does this mean?

The surface texture is three-dimensional, so that it exactly matches the pattern of the wood-grain film beneath. In this way, each knot and grain that you can see, also matches what you can feel.

Herringbone floors make a really bold statement and you can create the iconic zig-zag pattern in several ways in addition to some more unusual options. Below are a selection of the more popular Herringbone laying patterns.

Traditional Herringbone | Double Herringbone | Diagonal Herringbone | Herringbone / Plank Mix | Herringbone Ladder

SYCAMORE Herringbone **TH01**
Available in matching Plank **TP01**

HERRINGBONE

Colours	4
Thickness	2.5mm
Wear layer	0.55mm
Size	95mm × 380mm
Planks per pack	24 planks = 0.8664m²
Warranty	30-year residential 15-year commercial

Herringbone is an elegant and highly versatile option that will very easily transform your home or workplace. It is suitable for traditional and contemporary settings and can be installed in a variety of laying patterns.

Available in matching Plank **TP01**

OLD ENGLISH OAK Herringbone **TH02**
Available in matching Plank **TP02**

Highly Durable
Textures features a commercially-rated 0.55mm thick wear layer, making it suitable for both residential and commercial areas. The wear layer protects the floor from scuffs and scrapes, preserving it for many years.

OLD ENGLISH OAK Herringbone **TH02**
Available in matching Plank **TP02**

TUDOR OAK Herringbone **TH03**
Available in matching Plank **TP03**

Realistic Appearance
Textures has the most realistic aesthetic with a Registered Embossed surface that looks and feels just like natural hardwood. Bevelled edges complete the look.

Available in matching Herringbone **TH07**

Slip-Resistant
Textures rates highly in PTV (Pendulum Slip Value) tests with a rating of 36+ which is deemed as low slip potential.

PTV tests are conducted in accordance with the UKSRG (UK Slip Resistance Group) and HSE (Health and Safety Executive) guidelines. PTV test ratings are as follows:

- **0-24 High risk**
- **24-35 Moderate risk**
- **36+ Low risk**

HONEY OAK Plank **TP07**
Available in matching Herringbone **TH07**

ASH Plank **TP08**
Available in matching Herringbone **TH08**

Suitable for Underfloor Heating
With comfort in mind, Textures is manufactured for use in rooms featuring water-based UFH (underfloor heating) systems.

Surface temperature must not exceed 27˚C and flooring must be fitted in accordance with BS EN 1264-2, as well as the UFH manufacturer's guidelines. If other UFH systems are used, please first consult your flooring supplier for suitability.
